Every Monday Ms Beattie is lucky enough to work with some students from KM to help them learn about the things they need to know and do to be good readers. This term we have been working with a text called "Cat" by Mike Dumbleton and Craig Smith. Together, we made our own version of 'Cat', using the students as characters in the story. Students have great fun now reading their own book on the interactive whiteboard and in hard copy form. Perhaps you would like to come and have a read for yourself-just contact Ms Beattie.

An innovation by students from KM

Mana is a dog

Emmanouela is a bee.

Eve is a bird

Jorjen is a cat.

Muhammet is a tiger! Grrrr!
